

## What happens at **Navajeevana** Rehabilitation & Social Inclusion Centre?

**Schools** providing culturally appropriate education with parental involvement for children with special needs.

**Community Based Rehabilitation** (CBR) provides an extensive network for early identification and appropriate home based rehabilitation services to the physically & mentally disabled.

**Institutional Based Rehabilitation** (IBR) Navajeevana Centre is a one stop shop for physiotherapy, prosthetics & orthotics, supportive seating, custom-made wheelchair service, audiological services & development of communication skills, giving new life to the disabled.

A tour of the centre will be an experience with a difference.

## Coffee shop

It's a surprise!

*Tea served in the original  
village style*

*Traditional home made snacks*

*Herbal or Fresh vegetable soups*

*Tropical fresh fruit juices in  
fascinating combinations*

Our Coffee shop offers a total new experience situated in a heritage home on a prestigious location overlooking a palm garden, a butterfly garden with wild flowers of Sri Lanka and the spectacular Tangalla Bay.

## Craft Shop

A variety of traditional crafts & art work of persons with disability & tsunami affected are trained in the production of quality & upmarket products, to make a valuable & lasting contribution to “responsible tourism”.

Through each purchase you will be “responsible” in contributing to a valuable cause. Handloom weaving, hand made lace, oil paintings, child art, hand embroidery and many other traditional crafts will be revived to express the dedication & abilities of our special people.
